HELPERS

Volunteers are one of the most important aspects of match days. Without helpers we cannot get our kids out on the ground.

Please help your Team Manager and put your hands up to give them a hand. We need boundary umpires, goal umpires, time scorers, umpire escorts, canteen helpers and volunteers to help keep our clubroom and grounds tidy.

Team Managers will approach parents each week. Don't be shy and don't run the other way. Helping us means being involved in your child's sports day.

If you are happy to help each week, let your Team Manager know and he/she will gladly list you as a permanent weekly helper.

FRIDAY NIGHT SOCIAL NIGHT

SPECTATOR BEHAVIOUR DURING MATCHES

On registration we sign a Code of Conduct. Our children want to play footy, we as parents are here to support them. Our coaches do the best job they can in supporting and teaching them to play as a team and to be respectful to their team mates in all age groups.

As per EDFL Policy

1. Spectators are to remain off the field. An umpire can stop a game at any time if there are too many people on the ground.
2. Bad behaviour from spectators can result in a fine to the club.
3. Umpires are not to be approached. The only person allowed to approach an umpire is the Captain, who can only approach during a break.

APPROACHING COACHES

The coaches should not be approached during a game, not even during breaks. If you need to speak with the coach please do so after the game is finished. Parents are always welcome into the change rooms for the "after-game" speeches, but please allow the coach to address his team by being quiet.

GRIEVANCES

If players or parents have a complaint or problem we ask that they approach the Committee. Contact details for the Junior President and Secretary are the on the Website. Your Team Managers contact details have been given to you. We are happy to answer any queries. Remaining anonymous can't help us help you. Your complaints will remain strictly confidential and will be acted upon.
