

NORTHERN SAINTS FC

300 CLUB

Season 2013 will be a big one for the Northern Saints.

The club has a new coach, new staff, new players and a new direction.

We don't want to just make up the numbers we want to compete in September.

To do this we need your support.

A new initiative is being tried to help raise much needed funds and create a home ground atmosphere that is second to none.

We are asking all past and present members of Northern Saints, North Coburg, Fawkner Park, Moomba Park, and Fawkner Amateurs to jump on board and get involved.

For a mere \$300 you have the honour of being part the 300 Club.

Each member will receive the following:

- Membership card
- Club Polo
- Free meal at all home games
- Free beer, wine & soft drink at all home games from 1pm – 2pm
- Drinks at members prices throughout the entire season

This membership is great value and well worth it.

This 300 club will be a perfect way for you and your teammates of old to catch up, enjoy a meal and a drink and spend the day watching quality football.

Our target is 100 members so do the right thing by YOUR CLUB and sign up.

If you want to get involved in this fantastic initiative please contact or email a response.
